

EASTER MUSIC COURSES

Activity	Days and Times	Description	Total Cost
Musical Theatre Day	Monday 3rd April 9:30am-3:30pm	YOU help decide what we do! Sing songs from the shows, learn a dance or two and work on your acting, finishing in a workshop performance at the end of the day. When you register someone will be in contact to ask you about what songs you would like to sing and what your favourite shows are. We will then try our best to pick one thing from everyone's list! Suitable for ages 8 - 13 years old!	£60
Brazilian Choro Music	Tuesday 4th April 9:30am-3:30pm	Brazilian guitarist and Berkshire Maestros teacher Dr Fernando Aguera will be leading the first "Roda de Choro" in Newbury. A "roda", which means circle or ring, is an informal gathering to play music, A.K.A. a jam session for musicians. We will be playing and learning a bit more about the Brazilian Choro: a style of music which is considered the father of Samba and later on Bossa-Nova. Suitable for all instruments (Grade 5+) and all ages up to 18 years old.	£60
Pop Music Day	Thursday 6th April 9:30am-3:30pm	Do you have a favourite song you want to work on? Come and take a turn on a mic, sing solo and work with a group. Learn some new techniques, try out a few moves and see where the day takes you! The day will finish with a workshop performance. When you register someone will be in contact to ask you to give a list of songs, (all popular music genres welcome) from which we will pick one. If you would prefer to sing just as part of a group, that's fine too. Suitable for ages 8 - 13 years old!	£60
Intro to Music Tech (using Garage Band)	Thursday 13th April 9:30am-12:30pm	This short introduction to the use of music technology explores how songs, in a range of styles, are created and produced using music technology. Through the use of music software and pre-existing songs you will learn how to use loops, record ideas and then add effects to produce your own track in any style. Suitable for ages 11 - 18 years old!	£45
Composing for Film	Friday 14th April 9:30am-12:30pm	Composing for film, game and media is a biiiiiig industry. This short workshop will have you analysing different pieces of music from various media outlets. Then in order to put your new knowledge to the test you will use simple music technology software to create your own music for a either a short film or game trailer. Suitable for ages 11 - 18 years old!	£45
