

Team Activity Days at Waterside Centre

We offer local companies the ideal venue for staff get-togethers, team-building and activity days.

Wellbeing is high on the agenda for all companies (regardless of their size) and boosting staff morale and reconnecting with peers is a great way to support this area.

At Waterside Centre in Newbury, we can design an exciting and engaging activity day for your company.

“Waterside Centre was a breath of fresh air for our away day!”

What Makes Waterside Centre Special?

We have a multi-level climbing wall which not only builds stamina and strength, but clears the mind of outside worries, and helps to build confidence and self-esteem. It's a great team activity, building a real sense of camaraderie as participants guide each other up (and down) the wall!

We also have a selection of great paddle activities for your team to try, including: kayaks, canoes and stand-up paddle boards. There is easy access to the canal from our building. Guided by one of our experienced staff members, you and your team can enjoy the wonders of nature as you travel on the Kennet and Avon Canal. Spending time outdoors in the fresh air can reduce stress and increase happiness and creativity.

No previous experience is needed for any of our activities: our fully qualified and enthusiastic staff will support and guide you throughout the experience. We are fully insured and all equipment is provided.

We have fantastic onsite catering facilities through Colline's Kitchen (our onsite café) who offer delicious snacks, cakes and healthy lunches. They are happy to cater for all dietary requirements, including gluten free and vegan options as standard; not to mention barista style coffees, herbal teas and soft drinks!

We will be happy to create a menu which all of your team will love, accommodating any special requirements you may have.

“Lifecycle Software staff had a great time at the Waterside Centre! It was fantastic to get together in such an uplifting environment. The afternoon was spent earning activity points by joining in with paddle boarding, climbing, boules, table tennis and giant Jenga. The day was rounded off with some lovely food and drink from Colline’s Kitchen, whilst soaking up the atmosphere by the canal.”
